Capability Statement

Restrooms On The Go (PRS Restrooms On The Go LLC)

Portable Restrooms, Trailers, Handwashing and Septic Service
South Florida: Fort Pierce to Homestead | Answered 24/7

Company Overview

Restrooms On The Go delivers, services and removes portable sanitation for public agencies, contractors and events across South Florida, from our yard in West Palm Beach. We answer 24/7 and run our own trucks, so there is no middleman between your order and the job.

Core Capabilities

- Standard and Flushing Portable Restrooms
- ADA-Accessible Units (5% per Cluster, Minimum One)
- Handwashing Stations and In-Unit Sinks
- Luxury Restroom Trailers, 2 to 10 Stations
- Holding Tanks and Fresh-Water Systems for Office Trailers
- Septic Tank Pumping and Inspection
- High-Rise Crane-Lift Kits for Upper Floors
- Emergency and Hurricane Response, 24/7

Differentiators

- Own Fleet: We Deliver, Service and Pump With Our Own Trucks
- Standard Service Protocol on Every Visit: Full Pump Out, Soap Wash and Rinse, UrinX Urinal Treatment, Fresh Water, Blue Deodorizer, Towel Dry, Restock
- Service to Florida Rule 62-6.0101: Weekly on Job Sites, Daily at Special Events
- Unit Counts Sized to Florida's Official Event and Job-Site Tables

Emergency Management

Agencies can set up service before a storm and activate it with one call. We support shelters, distribution points, recovery crews and facilities that lose plumbing, with units, handwashing and trailers.

Affiliated Operations

Our affiliated company operates Restrooms On The Go in Maryland, serving commercial, event and public-sector customers.
